DOW TAX IMPOSED

By Auditor on Rogers Bros., Met by a Suit.

Following the convictions of George Rogers and George Carmack before Judge Nearing, recently on charges of selling liquors to Detective Brooker, the auditor certified up a Dow tax charge for 1909 against the Rogers Bros. drug store as the law requires. This action resulted in the filing a suit to enjoin him from collecting the same.

In the petition filed Thursday asking for the restraining order of Judge Baldwin, Rogers Brothers assert that they are conducting a drug store in Bowling Green and assert that neither on any date in last November nor at any time prior thereto were they engaged in "traffic in intoxicating liquors" under the meaning of terms as required by the Dow tax. They admit the convictions of the Ross law and say that Tom has assessed again at them \$55.70 Dow tax and \$113.74 as a penalty, making the total liability against them of \$69.44. The request is that the court permanently enjoin the auditor of the county from collecting that amount or any part of it from them.

WILL QUIT POLITICS

Senator Beatty Not to Be Harmon's Running Mate.

A report is current in Bowling Green that Senator Richard Beatty, when asked Sunday if he had any intentions of seeking to be Governor Harmon's running mate at the next election, declared in the most emphatic terms that he had not and further that he intended to retire from politics at the close of his present term in the senate and go to Oklahoma for a change.

Senator Beatty says he has received letters from Cleveland politicians urging him to become a candidate, but he declares this is only a scheme to divert him from pushing the probe into state departments and combinations that boost prices of food products.

"I heard through my son-in-law in Cleveland, who called me by telephone that there was talk of running me with Harmon, but here is nothing in it," says Beatty. "The fact is that I made up my mind some time ago to quit politics for good at the end of my term in the senate.

"It has cost me a lot of money to be a member at Columbus. I had a good oil brokerage business when I was elected to the senate, but I could not take care of it and look after the interests of my district in the senate. The result is that the business is all gone and I must again build it up.

"As soon as my term ends I am going to Oklahoma. My headquarters are selected and all my plans laid. I shall take my family with me, but will, of course, retain my legal residence at Bowling Green. No more politics for me, though. I will say if I were to run for office I would prefer to run on a ticket with Governor Harmon."

Beatty said he would not take the nomination for lieutenant governor or that of any other office unless the same was unanimous.

Saved at Death's Door.
The door of death seemed ready to open for Murray W. Ayers, of Transit, Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker daily. Violent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine, Electric Bitters—cured me. I regained the 40 pounds lost and now am well and strong." For all stomach, liver and kidney troubles they're supreme. 50c at C. P. Champney's.

CASPER J. HORN MARRIES.
The Ft. Wayne Journal-Gazette, of Saturday morning, Jan. 15, has the following item which will be of interest to many Perrysburg friends of the family:
St. Mary's Catholic church at Antwerp, was the scene of a very pretty wedding Tuesday morning at 8:30 o'clock, when Miss Naomi Spitzer became the bride of Casper J. Horn. Miss Spitzer is the daughter of Mrs. Morton Spitzer and is one of the most popular and beautiful young ladies of our city. The groom is the son of Mr. and Mrs. Andrew Horn and is one of our energetic young business men, and holds a prominent position with the Lincoln National Life Insurance company, of Fort Wayne. The bride wore a gray tailored suit, with large hat to match and carried a gray prayer book. She was attended by Miss Ullis McGuire, who wore a one-piece dress of blue cloth, with picture hat of corresponding color. The groom was attended by Fred Hertle. Both wore the accustomed black. After felicitation had been extended, the happy couple boarded the west-bound train for southern Indiana, where they will visit relatives and friends. On their return they will be at home to their many friends on North Main street.

PRaises LOCAL ARTIST.

The Toledo Times, in speaking of recent exhibits at the Toledo Art Museum, has the following to say of a local artist:

In the smaller upper gallery there is a collection as interesting in its way as that of the celebrated man whose water color paintings hang on the walls of the large gallery.

They represent a year's work by Mrs. Josephine Scott of Maumee, a series of nine studies from one point in the Maumee river near Perrysburg, all seen from a single room and painted in their varied aspects and lights.

Because of long illness in her family Mrs. Scott is unable to pursue her painting away from home, and remembering the famous work of the great Monet, whose 24 paintings of a haystack are among the most famous series in the world, Director Stevens suggested to Mrs. Scott that she do something on similar lines. The nine studies, all of them interesting and many of them beautiful, are the result.

Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little three-year-old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions.

On the second day she was a great deal better, and on the fifth day, October 23rd, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by C. P. Champney.

COURT HOUSE CULLINGS

January Term Not Opening Up Very Briskly.

The January term of court does not seem to open up very briskly, although Judge Baldwin has assigned plenty of cases for trial.

The first case heard this term was Anderson vs. Hoyman on an account which resulted in a verdict for Anderson for \$305.55. The jury was excused until Thursday.

The cases of Hoffman vs. Fink were settled Tuesday without trial. Another suit has been filed in the common pleas court which almost rivals for the number of defendants that which was filed last week. This case bears the title of John C. Bower vs. Stewart Anderson et al. and there are seventy-five defendants named in the petition. It is a suit to quiet the title to about eighty acres of land in Liberty township.

Charles W. Ryan is the plaintiff in an action against Samuel H. Huffman which he charges that the defendant had the use and service of a number of road wagons to the value of one thousand dollars for which he has failed to pay long period to give any compensation.

Ernest O. Rogers, who pleaded guilty to stealing a horse and rig from James Cook, was taken to Columbus on Monday by Sheriff Roach. He has already served two terms in Indiana prison and the officers here are of the opinion that his anxiety to plead guilty to this charge and get stowed away at Columbus may be due to his fear that he will be imprisoned for a grave charge elsewhere.

Henry Apel has begun suit in the court of common pleas for the dissolution of the partnership now existing between himself and Fred Henrichs. According to the petition which he files, the two went into the oil business in the fall of the year 1902. Their business relations expanded until they included the joint operation of realty and other enterprises. Apel claims that he has invested a good deal of money in the seven years intervening and that he has never received any income from that investment. He asks for a dissolution of their business contract and a separation of their property.

William Van Fleet, a pioneer resident of Lucas county, died Sunday afternoon at his residence one mile north of Waterville. He was born in Muncy, Lycoming county, Pa., September 27, 1828, and was taken to Perrysburg by his parents when but six months old, in the spring of 1839.

He was the fall of the same year they moved to the farm on which he died. He was married December 16, 1849, to Miss Jane R. Cross, who died about two years ago.

DEATH OF CHARLES ROSS.

Charles Ross of Bowling Green, died on Monday, January 17, 1910, at 4:30 p. m., after suffering eight years with locomotor ataxia.

Charles Carpenter Ross was born in a hotel, and was always connected with it as a business. His father was sheriff of Wood county and resided in Perrysburg; but along in August, 1854, the Chas. Ross drove the family over the Mamee, where charge was taken of the old Nealey house conducted by Charles Ross' uncle. There the future hotel man was born on August 17th, 1854, making his age just 55 years and five months at the time of his death. He was the last of eight children.

His marriage to Miss Rebecca J. Wells occurred September 14th, 1878, at Bowling Green and to them was born Earl D. Ross on January 20th, 1880, who with the wife and mother survive.

Came Near Choking to Death.

A little boy, the son of Chris. D. Peterson, a well known resident of the village of Jacksonville, Iowa, had a sudden and violent attack of croup. Much thick stringy phlegm came up after giving Chamberlain's Cough Remedy. Mr. Peterson says: "I think he would have choked to death had we not given him this remedy." For sale by C. P. Champney.
