Estate of

STATE OF ILLINOIS,

COUNTY,

The people of the State of Illinois, To

In County Court,

Term A. D. 186

of the County of

and State of Illinois GREETING:

This is to authorize you, jointly, to appraise the goods, chattels and personal estate of _____ late of the County of _____ and State of Illinois, deceased, so far as the same shall come to your sight and knowledge, each of you having first taken the oath hereto annexed; a certificate whereof you are to return, annexed to an Appraisal Bill of said goods, chattels and personal estate, by you appraised in dollars and cents; and in the said bill of appraisal you are to set down in a column or columns, opposite to each article appraised, the value thereof.

WITNESS

said County of _____ at his office in _____ this _____ day of _____ A. D. 186.

and the Probate Seal of said Court hereunto affixed.

Clerk.

OATH OF APPRAISERS.

You, each of you, do solemnly swear, that you will well and truly, without partiality or prejudice, value and appraise the goods, chattels and personal estate of _____ deceased, so far as the same shall come to your sight and knowledge; and that you will in all respects perform your duty as appraisers, to the best of your skill and judgment.

Subscribed and sworn to this _____ day of _____

A. D. 186, before me

Justice of the Peace.

PLEASE READ THIS LAW.

By the Act of the legislature of this State, of February 11th, 1847, it is declared that "widows living in this State, of persons whose estates are administered upon in this State, shall be allowed in claim, in exclusion of creditors, as their sole and exclusive property, forever, necessary beds, bedsteads and bedding for themselves and family, necessary household and kitchen furniture, one spinning wheel, one loom and its appendages, one pair cards, one stove, and necessary pipe thereto; the wearing apparel of themselves and families, one milch cow and calf for every four persons in the family, one horse at the value of forty dollars, one woman's saddle and bridle at the value of fifteen dollars, provisions for themselves and families for one year, two sheep for each member of the family, and the fleeces taken from the same, food for the stock above described for six months, fuel for themselves and families for three months, and sixty dollars' worth of other property." By the same act it is directed that "the appraisers shall make out and certify to the Court of Probate, an estimate of the value of each article of specific property herein allowed to the widow."

On this page will be found a blank to be filled and signed by the appraisers for this purpose.

Much difficulty is occasioned in many instances by appraisers in making the ESTIMATE FOR THE WIDOW as part of the appraisalment. IT IS NOT A PART OF THE APPRAISEMENT, and it is no matter whether the Estate has the particular articles mentioned in the following table, or whether there is nothing of the sort among the property of the Estate. The appraisers will take each item in its order, and estimate what it ought to be worth, and then set down the estimated value in the columns headed DOLLARS CENTS. Beginning with "necessary beds, bedsteads and bedding for the widow and family," and what you think would be fair to allow the widow for that, and set it down in the column. When you come to "One Spinning Wheel," "One Loom" and its appendages, and other items, don't pass one of them by, but set down what in your opinion such things ought to be worth, and if the Estate has not got those articles, then allow each take their estimated value in other things or in cash. Don't alter the printed amounts in the column, as they are established by law and cannot be changed.

When you have finished your estimate, foot it up, and that foot will be the amount of the widow's allowance, which she can take in the above articles, if the Estate has them, or in other things at the appraised value, or in money.

Recollect that the above estimate is not appraising. Having completed the estimate, go on and appraise EVERY article of personal property belonging to the Estate, OMITTING NOTHING, and set them down with their prices in the Appraisal Bill following.

The appraisers having nothing to do with Notes, Accounts, Stocks in Companies, or any other papers, as they cannot be appraised, such things must be left out of the Appraisal Bill entirely. They are proper matters to be listed in the inventory, filled by the Executor or Administrator, which is a separate matter from the Appraisal Bill.

APPRAISERS' ESTIMATE FOR THE WIDOW.

We, the undersigned, appraisers appointed by the Judge of the County Court of _____ County, to appraise and value the goods, chattels and personal estate of _____ deceased, do hereby make and certify to said Court, the following estimate of the value of each article of specific property allowed by law to the widow, for herself and family, to wit:
